ROLE OF THE STUDENT ASSISTANCE COUNSELOR

Applicants must possess current knowledge and skill commensurate with the needs of troubled and high-risk youth in the State's school system. Applicants must have knowledge of issues related to substance abuse, child abuse and neglect, divorce and separation, domestic violence, sexual abuse, rape, suicide, eating disorders, stress management, and peer pressure. Further familiarity with the intricacies of clinical outreach work in the school environment is a key attribute.

The RI Student Assistance Program, based on the SAMHSA model program Project SUCCESS (formerly called the Westchester County SAP), is a prevention program targeting universal, selected and indicated populations. SAPs do not keep a system of clinical charts, records, or case files on program participants. SAPs do keep a detailed roster of student contacts and services which are entered electronically, without names, into the State's data entry system.

STUDENT ASSISTANCE COUNSELOR REQUIREMENTS

All requirements below must be met to apply. All required documentation must be sent in with an application except for the official college transcript which is sent to RICB directly prior to application.

DOMAINS

1. Human Development and Behavior
2. Substance Abuse and Addiction
3. Children of Substance Abusing Parents and Family
4. Assessment, Intervention and Referral
5. Prevention
6. School and Community
7. Professional and Ethical Responsibility

FORMAL EDUCATION

REQUIRED: Minimum master's degree in a relevant field.

It is recommended you obtain documentation approximately three weeks prior to sending in your application. Documentation of master's degree may be mailed to RICB or emailed to info@ricertboard.org by the educational institution prior to application.

The degree must be in a relevant field and from an accredited college/university that is recognized by the US Department of Education or the Council on Higher Education Accreditation. An official transcript sent directly from college/university is required. If the degree is from outside the United States, a degree equivalency must be done by an organization that specializes in that process. The applicant is responsible for arranging this process and all costs.

Official transcripts are required and must be sent directly from college/university to RICB prior to application. **Official transcripts may be mailed to RICB or emailed to info@ricertboard.org.**

If you have a sealed official transcript in your possession, you may mail it in the sealed envelope to RICB prior to your application arriving or mail it in with your application.

If you have outstanding debt or other issues which prevent the college/university from releasing your official transcript, you must resolve these issues with the school prior to applying for certification.

EDUCATION/TRAINING

REQUIRED: 60 total hours of relevant education/training to the field of substance use disorders.

30 hours must be from Project SUCCESS in the RI recognized Student Assistance model training
3 of the hours must be in behavioral health ethics.
6 of the hours must be in confidentiality.

Education is defined as formal, structured instruction in the form of workshops, trainings, seminars, in-services, college/university credit courses, and online education.

There is **no limit to the amount of online education** that may be submitted.

Most three-credit college/university courses count as 45 hours. One training CE/CEU counts as one hour. Out of state education is acceptable.

All education/training must be documented. College courses are documented with an official college transcript. Trainings are documented with copies of training certificates.

Training certificates must have the applicant's name, title of training, date(s) of training, the number of hours being awarded, and the name of training organization. Training certificates submitted without this required information on them will not be accepted.

If a training title on a certificate of attendance does not clearly indicate the education content, attach a copy of the training description.

Training registration forms and/or training sign-in sheets are not acceptable forms of documentation.

Training must be non-repetitive meaning the same training cannot be claimed more than one time even if the training is taken on different dates from different providers.

Official employer training tracking system/learning management system reports may be acceptable forms of documentation for education/training provided that the report contains the name of the employee/applicant, titles of each training, dates of each training, the number of hours of each training, and is signed by the applicant's supervisor.

There is **no time limit** on when the education/training was received.

WORK EXPERIENCE

REQUIRED: 1350 hours in a BHDDH Student Assistance Counselor program.

Qualifying work experience is based upon working in a BHDDH Student Assistance Counselor program.

The applicant **must be currently employed in the qualifying position** at the time of application. Only employment within the last five (5) years may be counted towards the total experience requirement.

If the applicant's experience requirement is not fulfilled from their current employer, they must include a letter (on company letterhead) from previous employer(s) verifying their duties and dates employed with their application.

CURRENT JOB DESCRIPTION

REQUIRED: Copy of current student assistance counselor job description, obtained from current employer, and which must be signed by both the applicant and their immediate supervisor.

All applicants must include a copy of their current student assistance counselor job description. This **document is provided by your employer** and must be signed and dated by the applicant and their immediate supervisor.

Job descriptions determine and verify eligible current work experience. Job description must clearly delineate drug and alcohol counseling as a primary function of the position.

If you have held different student assistance counselor positions with your current employer, please provide all relevant job descriptions with the application. For instance, if you started as a counselor assistant, then you were promoted to a Counselor I and then a Counselor II, include all three job descriptions.

In lieu of job description(s), employer may provide an official position description on agency letterhead. This required documentation must include the applicants' dates of employment (to/from) employment status (full-time or part-time), title of position, a detailed description of the duties and responsibilities for the position, and the average number of hours per week the applicant worked.

ON-THE-JOB SUPERVISION

REQUIRED: 70 hours of on-the-job supervision of qualifying work experience with a minimum of 10 hours of supervision in each domain.

Supervision is a formal or informal process that is evaluative, educative, and supportive. It ensures quality of care and extends over time. Supervision includes observation, mentoring, coaching, evaluating, inspiring, and creating an atmosphere that promotes self-motivation, learning, and professional development. In all aspects of the supervision process, ethical and diversity issues must be in the forefront.

RICB has no requirements for who provides supervision. The person providing supervision is at the discretion of the agency.

Supervision can be provided in an individual, one-on-one setting and/or observation of skills or group supervision setting.

Supervision can be provided by **more than one supervisor**. In this case, provide a copy of page 10 of this application to all the supervisors documenting supervision on your behalf.

CERTIFICATION FEE

REQUIRED: \$200.00 (fee must accompany certification application)

The **fee may be paid** by check, money order or with VISA, MasterCard, Discover or American Express.

If an employer or organization is paying the fee, they must include the applicants name with the payment. Fee payment information provided on page 7 of this application. E-receipts will be sent if using a credit card for payment. Receipts for check or money order payments must be requested by applicant to RICB.

Applications received without payment will not be processed. One-half of the fee is refundable if application is denied.

Applicants must either live or work in RI at the time of application.

APPEAL PROCESS

The purpose of appeal is to determine if RICB accurately reviewed an application that is denied. A letter requesting an appeal must be sent to RICB within 30 days of the notification of RICB's action. An applicant shall be considered notified three days after the relevant date of mailing. The appeal will be sent to the RICB Executive Committee who will thoroughly review the entire application and materials to determine whether or not applicant should have been denied approval. The applicant will be notified in writing as to the findings of the Executive Committee.

FELONIES & DISCIPLINARY ACTIONS

While felonies and disciplinary actions from other certification/licensing entities may not prohibit certification, documentation is required to be submitted at the time of application. Certification through RICB does not mean a professional should not disclose this information to potential employers and does not in any way exonerate charges.

REQUESTS TO CHANGE APPLICATION

Professionals who wish to have their application re-reviewed for another credential RICB offers prior to taking the examination or after an unsuccessful attempt at the examination will incur a \$50 application change/review fee.

CERTIFICATION TIME PERIOD

Certification encompasses two calendar years beginning on the date the application is approved. The certificate issued to the professional lists the following information: name of professional, credential name, date of issue, date of expiration and certification number.

RECERTIFICATION

To maintain the high standards of professional practice and to assure continuing awareness of new knowledge in the field, the Board requires recertification every two years. Professionals should review the Recertification Application for credential specific requirements listed on the Board website well in advance of their expiration date.
